

Alt-J, Walk A Mile

At last, my baby's walked a mile
In my shoes, in my shoes
At last, at last (After so long)
My baby's walked a mile (She's walked a mile)
In my shoes (Walk, walk), in my shoes (In my shoes)

At last, my baby's walked a mile
In my shoes, in my shoes
At last, my baby's walked a mile
In my shoes, in my shoes

At last, at last, at last, at last
My baby's walked a mile
In my shoes

In between waves
You hold me down
In between waves
You hold me down
(Oh, save me)
In between waves
(Oh, save me)
You hold me down
(Oh, save me)
In between waves
(Oh, save me)
You hold me down

I don't wanna tell you, I don't wanna say
It's been so easy seeing things your way

At last, my baby's walked a mile
In, in my shoes

Say yes, say no
Say yes, don't say no
Say yes, say no
Say yes, don't say no

Say yes, say oh yes
Say yes, don't say no
Say yes, say no
Say yes, don't say no
