Altan, Suil Ghorm

Sil ghorm, uisce fómhair
Craiceann chailce, sneachta gheimhridh
Folt fonn, corna shamhraidh
Cumha póige, blth an earraigh

Your blue eyes, autumn water
Pure white skin like winter snow
Your fair hair, summer barley
Scented kisses, spring flowers

Ar imeall na mara a ghluais muid le chile
Is thóg muid r nglórthai go hrd leis na spartha

Ceo maidne, sidan gaoithe
Anam saortha, sruth 's taoide
Gealach iomln, spar na hoiche
Loinnear ralta, aoibh an ghire

Your smile shines through the morning mist
Lifts the soul light as a feather
And the moon glows in the darkest night
Distant stars are yours forever

Ar imeall na mara a ghluais muid le chile
Is thóg muid r nglórthai go hrd leis na spartha

Sil ghorm, uisce fómhair
Craiceann chailce, sneachta gheimhridh
Folt fonn, corna shamhraidh
Cumha póige, blth an earraigh
