

# Altan, Time Has Passed

Time has passed  
You have gone  
Your tune is played  
I must carry on

Darkness falls  
You send the light  
Love is here  
I must carry on

Chorus:  
Mo ghr go deo  
Ilr mo chro  
Mo ghr go deo  
Fhad a bheas m beo

I open to the world  
The world will give  
No one's alone  
I must carry on

In God I love  
In love I believe  
I believe in you  
I must carry on

(Chorus 2x)

Winter is cold  
Spring melts the snow  
Love is renewed  
I must carry on
