

# Alter Bridge, Before Tomorrow Comes

I couldn't sleep  
I had to listen  
To a conscience  
Knowing so well  
That nothing comes  
From indifference  
I look inside of myself

Will I find some  
Kind of conviction  
Or will I bid the hero farewell  
Will I be defined by things  
That could've been

I guess time will only tell  
I guess time will only tell

So don't let it be  
Before tomorrow comes  
Before you turn away  
Take the hand in need  
Before tomorrow comes  
You can change everything

I curse my worth and every comfort  
That blinded me for way too long  
Damn it all, I'll make a difference  
From now on

Cause I'm wide awake to it all  
Cause I'm wide awake to it all

So don't let it be  
Before tomorrow comes  
Before you turn away  
Take the hand in need  
Before tomorrow comes  
You can change everything

Does anyone care  
It ain't right  
What we're doing  
Does anyone care  
It ain't right  
Where we're going  
Does anyone dare  
Justify how we're living  
Does anyone here care at all?

So don't let it be  
Before tomorrow comes  
Before you turn away  
Take the hand in need  
Before tomorrow comes  
You can change everything

We could be  
So much more  
Than we are  
We could be  
So much more  
Than we are  
We could be  
So much more

Than we are  
Oh this much I know
