

# Alter Bridge, Buried Alive

I twist and turn  
In the darkest space  
Can't find my worth  
As I numb the pain

Glass to the sky  
With a black tooth grin  
This whiskey smile  
Takes me down again

I'm cold and I'm so afraid  
That I'm too weak  
And I can't change

I've been buried alive  
And I don't want  
To be here anymore  
Reached out  
A thousand times  
For a hand to  
Pull me from below

I've been buried alive  
In a world of  
Constant sorrow  
Reached down tonight  
And set me free  
Save tomorrow

Another shot  
Slip into the haze  
Another night  
Soaked in my disgrace  
Toast to the lie  
I'll raise my glass and run  
A wasted life  
What've I become?

I've been buried alive  
And I don't want  
To be here anymore  
Reached out  
A thousand times  
For a hand to  
Pull me from below

I've been buried alive  
In a world of  
Constant sorrow  
Reached out tonight  
And set me free  
Save tomorrow  
(Save tomorrow  
Save tomorrow)

-Solo-

Let me breathe again  
And show me where I begin  
(Where I begin)  
To find a will to change  
Before I lose everything  
(Before I lose everything)

I've been buried alive  
And I don't want  
To be here anymore  
Reached out  
A thousand times  
For a hand to  
Pull me from below

I've been buried alive  
In a world of  
Constant sorrow  
Reached out tonight  
And set me free  
And I will follow

I've been buried alive  
I've been buried alive  
I've been buried alive
