

# Alter Bridge, Edge

You Think You Know Me

On this day

I see clearly

Everything has come to life

A bitter place and a broken dream

And we'll leave it all behind

On this day, it's so real to me

Everything has come to life

Another chance to chase a dream

Another chance to feel

Chance to feel alive

I'll never long for what might have been

Regret won't waste my life again

I won't look back I'll fight to remain

On this day

I see clearly

Everything has come to life

A bitter place and a broken dream

And we'll leave it all behind

On this day

It's so real to me

Everything has come to life

Another chance to chase a dream

Another chance to feel

Chance to feel alive

Fear will kill me, all I could be

Lift these sorrows, let me breathe

Could you set me free!

Could you set me free!

On this day

I see clearly

Everything has come to life

Bitter place

And a broken dream

And we'll leave it all behind

On this day

It's so real to me

Everything has come to life

Now the chance to chase a dream

Now the chance to feel

Chance to feel alive
