

# Alter Bridge, I Know It Hurts

And you say this ain't living  
You say you can't go on  
They only take as your giving  
And now your hope is all but gone  
Though you lost your way  
Now is not forever  
But I know your pain  
We all fall sometimes you're not the first  
But I know it hurts  
Yeah, I know it hurts  
In the end you'll find what you deserve  
Still I know it hurts  
Yeah, I know it hurts  
And the tide's only rising  
The storm is on it's way  
But you can't keep on fighting  
So battleworn and so afraid  
Though it's sad and wrong  
I hope you will remember  
That you must carry an  
We all fall sometimes you're not the first  
But I know it hurts  
Yeah, I know it hurts  
In the end you'll find what you deserve  
Still I know it hurts  
Yeah, I know it hurts  
There's still tomorrow  
Hold on  
Hold on  
There's still tomorrow  
Just wait  
Just wait  
There's still tomorrow  
Hold on  
Hold on  
We all fall sometimes you're not the first  
But I know it hurts  
Yeah, I know it hurts  
In the end you'll find what you deserve  
Still I know it hurts  
Yeah, I know it hurts
