

Alter Bridge, Metalingus

I've been defeated and brought down
Dropped to my knees when hope ran out
The time has come to change my ways

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all
Leave it all behind

I'll never long for what might have been
Regret won't waste my life again
I won't look back I'll fight to remain

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day
It's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive

Fear will kill me
All I could be
Lift these sorrows
Let me breathe
Could you set me free
Could you set me free

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day
It's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive
