## Alter Bridge, Metalingus

I've been defeated and brought down Dropped to my knees when hope ran out The time has come to change my ways

On this day I see clearly Everything has come to life A bitter place and a broken dream And we'll leave it all Leave it all behind

I'll never long for what might have been Regret won't waste my life again I won't look back I'll fight to remain

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day
It's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive

Fear will kill me All I could be Lift these sorrows Let me breathe Could you set me free Could you set me free

On this day
I see clearly
Everything has come to life
A bitter place and a broken dream
And we'll leave it all behind
On this day
It's so real to me
Everything has come to life
Another chance to chase a dream
Another chance to feel
Chance to feel alive
