

# Alter Me, Love

I don't have the slightest clue  
I don't know what I'm gonna do  
I only know it's gonna be with you  
I know it sounds quite funny  
Yeah, it sounds quite funny  
But I could live my life right here with you  
There's nothing in the world I'd rather do  
How do you say it in words?  
It's love, isn't it?  
Isn't that love?  
Well, I'd like to know what's really happening  
It's love, isn't it?  
Isn't that love?  
Baby, I know it's you I've always been waiting for  
Tell me if you feel the same about me  
Oh, it feels quite funny  
Yeah, it feels quite funny  
I cannot even think straight when you're near  
I don't know who I am and I don't care  
How do you say it in words?  
It's love, isn't it?  
Isn't that love?  
Well, I'd like to know what's really happening  
It's love, isn't it?  
Isn't that love?  
Do you believe in any word I say?  
You say you do and I believe in you  
How do you say it in words?  
It's love, isn't it?  
Isn't that love?  
Well, I'd like to know what's really happening  
It's love, isn't it?  
Isn't that love?  
I'd like to know what's really happening  
I'd like to know what's going on
