

Altered Images, I Could Be Happy (Single Version)

I would like to climb high in a tree
I could be happy, I could be happy
Or go to Skye on my holiday
I could be happy, I could be happy
Maybe swim a mile down the Nile
I could be happy, I could be happy
All of these things I do, all of these things I do
To get away from you
Get away, run away, far away, how do I?
Get away, run away, far away, how do I escape from you?
I would like to climb high in a tree
I could be happy, I could be happy
Or go to Skye on my holiday
I could be happy, I could be happy
Maybe swim a mile down the Nile
I could be happy, I could be happy

All of these things I do, all of these things I do
To get away from you
Get away, run away, far away, how do I?
Get away, run away, far away, how do I, escape from you?
I would like to climb high in a tree
I could be happy, I could be happy
Or go to Skye on my holiday
I could be happy, I could be happy
Maybe swim a mile down the Nile
I could be happy, I could be happy
Get away, run away, far away, how do I?
Get away, run away, far away, how do I?
Get away, run away, far away, how do I?
Get away, run away, far away, how do I escape from you?
