

# Altered Images, I Could Be Happy (Single Version)

I would like to climb high in a tree  
I could be happy, I could be happy  
Or go to Skye on my holiday  
I could be happy, I could be happy  
Maybe swim a mile down the Nile  
I could be happy, I could be happy  
All of these things I do, all of these things I do  
To get away from you  
Get away, run away, far away, how do I?  
Get away, run away, far away, how do I escape from you?  
I would like to climb high in a tree  
I could be happy, I could be happy  
Or go to Skye on my holiday  
I could be happy, I could be happy  
Maybe swim a mile down the Nile  
I could be happy, I could be happy

All of these things I do, all of these things I do  
To get away from you  
Get away, run away, far away, how do I?  
Get away, run away, far away, how do I, escape from you?  
I would like to climb high in a tree  
I could be happy, I could be happy  
Or go to Skye on my holiday  
I could be happy, I could be happy  
Maybe swim a mile down the Nile  
I could be happy, I could be happy  
Get away, run away, far away, how do I?  
Get away, run away, far away, how do I?  
Get away, run away, far away, how do I?  
Get away, run away, far away, how do I escape from you?
