

Altered Images, Idols

Altered Images
Happy Birthday
Idols

i can see you
in my memories
watching
everything i do
when i walk
when i talk
you do too

i can see you
taking over me
living my life
out for free
when i walk
when i talk
you do too

when i walk
when i talk
you do too

hidden
behind
the idols
you adore
tell me
tell me
tell me
which one
are you
today?
