

Alton Ellis, Girl Ive Got A Date

Girl I've got a date
And I just mean, I can't stay late, whoah-ooo-oo.
All my life and I've warning you, girl
And not just once or twice
Take this from me:
I'm as free as the birds in the tree-eee

Girl I've got a date
And I just mean, I can't stay late, whoah-ooo-oo.
All my, all my life and I've warning you, girl
You just can't be my wife
Take this from me:
I'm as free as the birds in the tree-eee-eee

Girl I've got a date
And I mean just, I can't stay late, whoah-ooo-oo.
No, I've been warning you, girl
No, no, no, girl, you just can't be my wife
Take this from me:
I'm just as free as the bee-eeeeee-eee
