She Thinks I Still Care

She thinks I still care.

Just because I ask a friend about her.

Just because I spoke her name somewhere.

Just because I rang her number by mistake today,

She thinks I still care.

Just because I hang out at the same ol' places

Where the memory of her lingers everywhere.

Just because I'm not the happy guy I used to be,

She thinks I still care.

But if she's happy thinking I still her,

Then let that silly notion bring her cheer.

But how could she ever be so foolish?

Oh, where would she get such an idea?

Just because I ask a friend about her.

Just because I spoke her name somewhere.

Just because I saw her, then went all to pieces,

She thinks I still care.

She thinks I still care.
