

# Alvin And The Chipmunks, Follow Me Now

(Man)

This morning I woke up and something had changed.  
I felt kind good and it felt kinda strange  
there's something going on here  
and maybe it's a brand new world,  
Or I'm just crazy, insane.

(Alvin)

So, everything's different  
well, I guess that's OK  
cause those thoughts that used to hold me down  
have all gone away.  
I feel like I can take on the world  
So, come along for the ride,  
Or just get out of my way!

(Chorus) Come on!, Come on!

Get up!, Get up!

let's go won't you follow me

Let's go won't you follow me now.(me now, me now.)x2

(Man)

So tell me your secrets  
and I'll sell you my soul

(Alvin)

There's a shovel in my heart  
and it's digging a hole.

(Man and Alvin)

The devil and the god in my head  
are having breakfast in my brain  
and it's driving me insane.

(Repeat Chorus)

Won't someone follow me now.

(Repeat Chorus x2)

Won't Someone Follow Me Now
