

Alvin And The Chipmunks, Home

(ooh,ooh,oh,ooh)

Verse 1:

I'm staring out into the night,
Trying to hide the pain.
I'm going to the place where love
And feeling good,don't ever cost a thing.
And the pain you feel's a different kind of pain.

Chorus:

I'm going home,
To the place where I belong,and
where your love has always been enough for me.
I'm not running from.
No, I think you got me all wrong.
I don't regret this life I chose for me.
But these places and these faces are getting old.
So I'm going home.(ooh)
I'm going home.I'm going home.

Verse 2:

The miles are getting longer,it seems.
The closer I get to you.
I've not always been the best man or friend for you.
But your love,it makes true.
And I don't know why.
You always seem to give me another try.

Chorus:

I'm going home,
To the place where I belong,and
where your love has always been enough for me.
I'm not running from.
No, I think you got me all wrong.
I don't regret this life I chose for me.
But these places and these faces are getting old,

Bridge:

Be careful what you wish for,
'Cause you just might get it all.
and you just might get it all,
And then some you don't want.
Be careful what you wish for,
'Cause you just might get it all.
Yeah,you just might get it all.
And then some you don't want.

Chorus:

I'm going home,(going home)
To the place where I belong,and where your love has always been enough for me(enough for me).
I'm not running from.
No,I think you got me all wrong(me all wrong).
I don't regret this life I chose for me.
But these places and these faces are getting old.(oh I'm going home),too.
