Yo,its been a long time coming. We've been out on our grind.

Steady shockin' and rockin.Munks blowin' your mind,

Gotcha feeling the funk,when we stepped in the spot,

And so your lovin' The Munks. You know you want to or not.

We've got the bass,the treble,and high hat drums playin' that heavy metal and we sure have fun.

Rather rock or hip hop,we've got that soul,

C'mon,no matter if your five or fifty years old.

True,we came to rock the house and do our thing.

That's right,so stand up get your hands up and sing.

It's been so long since we walked in the moonlight(walked in the moonlight).

making vows that just can't work right.(can't work right).

Baby let my love come running in,(come running in).
