Pitch To Barry

PITCH TO BARRY

by Alvin Warwas

copyright July 4, 2004

Sittin' in the stands  
    takin' my chances  
Soakin' up the sunshine  
    and the glances  
Hopin' that they came to play today

Wonderin' if they know  
    why we all came here  
Cause it's not the hot dogs  
    and the cold beer  
We just came to see him make history

Pitch to Barry  
    let's play a real game  
Don't walk him, No!  
    would be a real shame  
Pitch to Barry hey huh hey hey hey

Pitch to Barry  
    make it your best call  
Pitch to Barry  
    let's play some hardball  
Pitch to Barry make my day

I know this game  
    is just beginning  
But it could really go  
    to extra innings  
We just want to see him  
    go all the way

Let's see him hit one  
    into the alley  
Let's see him hit one  
    into Death Valley  
Let's see him hit one into the Bay

Pitch to Barry  
    let's play a real game  
Don't walk him, No!  
    would be a real shame  
Pitch to Barry hey baby, what chu say

Pitch to Barry  
    make it your best call  
Pitch to Barry  
    let's play some hardball  
Pitch to Barry beat L A

The shift is on  
    the bags are loaded  
I think it's time  
    that he exploded  
I think it's time he put this game away

Pitch to Barry  
    just get it over

Let's see him hit one  
into the clover  
Let's see him hit one into the Bay

Pitch to Barry  
let's play a real game  
Don't walk him, No!  
would be a real shame  
Pitch to Barry hey huh hey hey hey

Pitch to Barry  
make it your best call  
Pitch to Barry  
let's play some hardball  
Pitch to Barry beat L A
