

# Aly & A.J., Chemicals React

You make me feel out of my element  
Like I'm walkin' on broken glass  
Like my world's spinnin' in slow motion  
And you're movin' too fast  
Were you right, was I wrong  
Were you weak, was I strong?  
Yeah, both of us broken  
Caught in the moment  
We lived and we loved  
And we hurt and we joked, yeah  
But the planets all aligned  
When you looked into my eyes  
And just like that  
The chemicals react  
The chemicals react  
You make me feel out of my element  
Like I'm drifting out to the sea  
Like the tide's pullin' me in deeper  
Makin' it harder to breathe  
We cannot deny, how we feel inside  
We cannot deny  
Were you right, was I wrong  
Were you weak, was I strong?  
Yeah, both of us broken  
Caught in the moment  
We lived and we loved  
And we hurt and we joked, yeah  
But the planets all aligned  
When you looked into my eyes  
And just like that  
The chemicals react  
The chemicals react  
Kaleidoscope of colors  
Turning hopes on fire, sun is burning  
Shining down on both of us  
Don't let us lose it  
Don't let us lose it  
Were you right, was I wrong  
Were you weak, was I strong?  
Yeah, both of us broken  
Caught in the moment  
We lived and we loved  
And we hurt and we joked, yeah  
(Yeah, yeah, yeah)  
We lived  
We loved  
We hurt  
We joked  
We're right  
We're wrong  
We're weak  
We're strong  
We lived to love  
But the planets all aligned  
When you looked into my eyes  
And just like that  
Watch the chemicals react  
(Yeah, yeah, yeah)  
And just like that  
The chemicals react  
(Yeah, yeah, yeah)  
The chemicals react
