

# Aly & A.J., Greatest Time of Year

It's the greatest time of year  
And it's here, help me celebrate it  
With everybody here  
Friends so dear, let me simply state it  
It's our favorite way  
To spend the holiday  
There's a special kind of feeling in the air  
It only happens at this time of year  
When everyone is filled with love and cheer  
'Cause that's what matters  
Pretty paper boxes tied with bows  
Walking in the sun or in the snow  
We can feel the excitement growing, knowing  
It's the greatest time of year  
And it's here, help me celebrate it  
With everybody here  
Friends so dear, let me simply state it  
Joy to the world and everyone  
Lift up your hearts and feel the love  
It's our favorite way  
To spend the holiday  
We can get all cozy by the fire  
Turn the music up a little higher  
I don't think that I could ever tire  
Of being together  
Decorate the tree, hang mistletoe  
And stand by me  
It's a picture perfect moment  
Captured memories that we'll have after

It's the greatest time of year  
And it's here, help me celebrate it  
With everybody here  
Friends so dear, let me simply state it  
Joy to the world and everyone  
Lift up your hearts and feel the love  
It's our favorite way  
To spend the holiday  
Spend the holidays  
It's the greatest time  
(Greatest time of year)  
Time to celebrate  
Now it's our favorite time  
It's the greatest time of year  
And it's here, help me celebrate it
