

Aly & A.J., On The Ride

We don't have to try
To think the same thoughts
We just have a way
Of knowing every thing's gonna be okay
We'll laugh till we cry
Read each others minds
Live with a smile
Make it all worthwhile
Make it all worthwhile
Life has moments, hard to describe
Feelin' great and feelin' alive
Never coming down from this
Mountain we're on
Always knowing, we're gonna be fine
Feelin' great and feelin' alive
Never coming down from this
Mountain we're on
The view is so clear
And it's crazy up here
Life is amazing with you
On the ride
We don't wanna sleep
Just wanna stay up
There's so much to say
Not enough hours in the day
We'll laugh till we cry
Read each others minds
Live with a smile
Make it all worthwhile
Make it all worthwhile
Life has moments, hard to describe
Feelin' great and feelin' alive
Never coming down from this
Mountain we're on
Always knowing, we're gonna be fine
Feelin' great and feelin' alive
Never coming down from this
Mountain we're on
The view is so clear
And it's crazy up here
Life is amazing with you
On the ride
No time to be lazy, the journey is perfect
The pace is so crazy, the race is so worth it
I will be with you, we'll do this together
Always together
Life has moments, hard to describe
Feelin' great and feelin' alive
Never coming down from this
Mountain we're on, mountain we're on
Always knowing, we're gonna be fine
Feelin' great and feelin' alive
I'm never coming down from this
Never comin' down, never comin' down
Never comin' down
Always knowing we're gonna be fine
Feelin' great and thinkin' alike
Never coming down from this
Mountain we're on
The view is so clear and it's crazy up here
Life is amazing with you on the ride
The pace is so crazy, the race is so worth it
Life is amazing with you on the ride
