

Aly & AJ, Chemicals React

You make me feel out of my element
Like I'm walking on broken glass
Like my world spinnin' in slow motion
And you're movin' too fast

Were you right was I wrong
Were you weak was I strong
Yeah both of us broken
Caught in a moment
We lived and we loved
And we hurt and we jumped yeah
But the planets all aligned
When you looked into my eyes
And just like that
The chemicals react
The chemicals react

You make me feel out of my element
Like I'm drifting out to the sea
Like the tide's pulling me in deeper
Makin' it harder to breath
We cannot deny how we feel inside
We cannot deny

Were you right was I wrong
Were you weak was I strong
Yeah both of us broken
Caught in a moment
We lived and we loved
And we hurt and we jumped yeah
But the planets all aligned
When you looked into my eyes
And just like that
The chemicals react
The chemicals react

Kaleidoscope of colors turnin'
Hopes on fire, sun is burnin'
Shinin' down on both of us
Don't let us lose it
Don't let us lose it

Were you right was I wrong
Were you weak was I strong
Yeah both of us broken
Caught in a moment
We lived and we loved
And we hurt and we jumped yeah
Yeah yeah yeah
We lived we loved
We hurt we jumped
We're right we're wrong
We're weak we're strong
We lived to love

But the planets all aligned
When you looked in to my eyes
And just like that
Watch the chemicals react
Yeah yeah yeah
And just like that
The chemicals react
Yeah yeah yeah

The chemicals react
