

Aly & AJ, In A Second

Don't know where you are
Wish I just could be near you
I would sail oceans
To get a glimpse of how you feel

You're all the things I'm looking for
Everything and so much more

What I think
You are just perfect
Could it be
That I am worth it?
Is this thing an open door?
Walk right through to something more
You and me
My life would change in a second
In a second

Don't know how you feel
You seem to keep it to yourself
Would you climb mountains
To show me this is something real?

You're all the things I'm looking for
Everything and so much more

What I think
You are just perfect
Could it be
That I am worth it?
Is this thing an open door?
Walk right through to something more
You and me
My life would change in a second
In a second

Could it be
Could it be?
You and me
You and me?
Do I see
Do I see
Clearly?

What I think
You are just perfect
Could it be
That I am worth it?
Is this thing an open door?
Walk right through to something more

What I think
You are just perfect
Could it be
That I am worth it?
Is this thing an open door?
Walk right through to something more
You and me
My life would change in a second
In a second
