

# Aly & AJ, Phil Of The Future Theme Song

Meet a boy named Phil and his family  
On a vacation from the 22nd century  
Got a rented time machine and they're on their way  
On a time way way way back in the day  
Now it's Phil Phil of the future  
Keepn` it together just as best as he can  
Phil Phil of the future  
He's a 22nd century man  
On a holiday through history  
But the final destination was a mystery  
Somethin on the machne had blown  
So they ended up right here in our time zone  
Now it's Phil Phil of the future  
Never knew history just where he would land  
Phil Phil of the future  
He's a 22nd century man  
Phil Phil of the future He's a 22nd century man  
He's a 22nd century man
