

# Aly & AJ, Slow Down

I need a little time, to see what you're made of  
I know whats on your mind  
You're headin' straight for love

Let's not rush, you're moving way too fast  
We can figure it out, we can make this last  
WE don't have to be so serious  
You need to

Slow down  
I'm not goin' anywhere  
Slow down  
If you care, I need a little time for air  
If you just let me breathe  
Maybe I'll stick around  
If you slow down

I wanna little space, a little less attention  
You see it on my face  
Don't need an explanation

Let's not rush, you're movin' way too fast  
We can figure it out, we can make this last  
We don't have to be so serious  
You need to

Slow down  
I'm not goin' anywhere  
Slow down  
If you care, i need a little time for air  
If you just let me breathe  
Maybe I'll stick around  
If you slow down

Keep callin' - you won't leave me alone  
Proclaiming love like it's a joke  
Leavin' flowers at my door  
Have enough don't need anymore  
Believe in what we have right now  
Have to slow down

I'm not goin' anywhere  
Slow down

Slow down  
I'm not goin' anywhere  
Slow down  
If you care, I need a little time for air  
If you just let me breathe  
Maybe I'll stick around  
Slow down

I'm not going anywhere  
slow down  
if you care I need a little time for air  
If you just let me breathe  
Maybe I'll stick around

Ya have to slow down - yeah

If you just let me breathe  
Maybe I'll stick around  
Not goin' anywhere  
Slow down

If you just let me breathe  
Maybe I'll stick around  
Not goin' anywhere  
Slow down  
If you just let me breathe  
Maybe I'll stick around  
Not goin' anywhere  
If you slow down
