

# Aly & AJ, Speak For Myself

Do you see me?  
Do you care?  
You talk about me  
Like I'm not there  
Don't get a word in  
When you're around  
I bet you don't know  
What I'm about

Yes I will  
I will  
Speak for myself  
What you see  
Isn't all I am  
I need a place to stand  
I will  
I will  
Speak for myself  
There's so much you're missing  
If you cared you'd listen

You suffocate me  
You drown me out  
I'm tired of waiting  
Without a doubt  
I feel I'm fading  
I flicker out  
My heart is screaming  
Without a sound

Yes I will  
I will  
Speak for myself  
What you see  
Isn't all I am  
I need a place to stand  
I will  
I will  
Speak for myself  
There's so much you're missing  
If you cared you'd listen

I'm not sorry for who I am  
Take it or leave it  
It's my time to take a stand  
Throw it or keep it  
Now that I don't need to understand  
Won't say it again

You know I will

Yes I will  
I will  
Speak for myself  
What you see  
Isn't all I am  
I need a place to stand  
I will  
You know I will  
(I will)  
Speak for myself  
There's so much you're missing  
(So much you're missing)  
If you cared you'd listen

If you cared you'd listen  
I will  
I will  
Speak for myself
