

Aly & AJ, We're an American Band

Out on the road for forty days
Last night in LA, put us in a haze
Sweet, sweet hottie, doin' his act
He stole the whole show and that's a natural fact
Up all night, he heard us sing
I got to tell you rock and roll is his thing
All those ladies, keepin him right
Let's hope that he can make it through the show tonight
We're an American Band
We're an American Band
We're comin' to your town
We'll help you party it down
We're an American Band
Two dudes who meet us in Omaha
Was waiting for our band to return from the show

Feelin good, feelin right it's Saturday night
The hotel detective, he was out of sight
These fine boys, they had a plan
They were out to meet the girls in the band
They said, "come on babes, let's sing a song"
And we proceeded to tear that hotel down
We're an American Band
We're an American Band
We're comin' to your town
We'll help you party it down
We're an American Band
x3
We're an American Band, woohoo
We're an American Band, woohoo
We're an American Band, woohoo
