

# Alyssa Reid, Alone Again (feat. P. Reign)

[Alyssa Reid]

Till now, I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone,  
How do I get you alone?

[P. Reign]

I sit back and reminisce, it hurts to think about it all  
We was on top of the world, whoever though that we would fall?  
Standing by the phone, alone, ignoring your call  
I feel like spider man, you got me flying off of the wall  
I ain't wanna leave, but still I had to go  
Cause what puts a rainbow with out my pot of gold?  
And now your beds empty and your pillows cold,  
you never realised the love until my love was gone

[Alyssa Reid]

When I said I could move on and go,  
you said I'm weak and it shows,  
I couldn't go on with out you  
Now I'm sitting in this house alone,  
wondering why I left home,  
And I'm hoping that you know that...

[Chorus]

Till now, I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone,  
How do I get you alone?

[P. Reign]

You act like you don't need me,  
'cause you're scared of being needy  
You want to have your cake and eat it too,  
I call that being greedy  
And they say that love costs,  
consider this a freebie  
No one said this would be easy  
Either love me or just leave me  
Admit it, we too old for pretendin'  
Ain't like our bond is broken,  
it just needed some mending  
And when you need a hand,  
you know I'll be there to lend it  
What's the point in having time,  
if I ain't there to help you spend it  
Yeah

[Alyssa Reid]

When I said I could move on and go,  
you said I'm weak and it shows,  
I couldn't go on with out you.  
Now I'm sitting in this house alone,  
wondering why I left home,  
And I'm hoping that you know that...

[Chorus]

Till now, I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone,  
How do I get you alone?  
How do I get you alone?

I hear the ticking of the clock

I'm lying here, the rooms pitch dark  
I wonder where you are tonight,  
No answer on the telephone  
And the night goes buy so very slow  
Ohhhh, I hope that it won't end though,  
Alone

And I'm hoping that you know that...

Till now, I always got by on my own  
I never really cared until I met you  
And now it chills me to the bone,  
How do I get you alone?
