

AM radio, I just wanna be loved

I just want to be lost
In a crowded room
So I don't have to hear
Your point of view
You know I don't care
About what you say
And it's the way
You sat it, too

Bride:

So why did you come to me
When you knew that you just didn't believe
What did you expect to get from telling me
You don't understand
Anything or how I am

Chorus:

I just want to be loved
I just want to be loved by you
I want to be loved
I just want to be loved by you
I want to be loved (2x's)
I just want you to stay
Away from me
With all your lies
I just don't believe

Bride & Chorus

You don't understand (3x's)

Chorus

I want to be loved
I just want to be loved by you
