

# AM, So Lonely

You once asked me  
Why did I do it  
Wasn't nothing to it I found  
Cuz you stole me  
Thinking you owned me  
But you're so lonely now  
And you were worried  
Making up stories  
Hoping I would be out  
And you ruled me  
Saying what would be  
Now I just see you around  
I'll tell you something  
You're not gonna win this time because I'm through  
You're good for nothing  
You saw right through me I don't think you knew  
Who the hell I was  
And I was waiting  
Thinking you were changing  
Hoping you'd turn this around  
But you were faking  
Hanging on maybe  
Now you're just lost in the crowd  
And you fooled me  
Saying you knew me  
You were just keeping me down  
And you were crazy  
Thinking you'd change me  
Now I'm just waking on out
