

# Amadeus, Fears

You can't deny  
When the sound of silence stress you out  
You cannot sleep in the dark  
Just be sure that  
Deep inside you  
Theres a fear that wakes you up  
Wakes you up  
Wakes you up  
Wakes you up  
You can try to find out,  
Even hide  
When the sound of silence stress you out  
You cannot sleep in the...  
Wakes you up  
Wakes you up  
Wakes you up  
Turn the lights on  
You can run,  
You can scream,  
You can cry  
You can try to find out even hide  
But when a voice calls  
From deep inside  
Your worts fears are shown  
You can't deny  
You can run,  
You can scream,  
You can cry  
You can try to find out even hide...  
Even hide
