

Amanda Abizaid, Dreams In Ashes

She poured her heart out in the rain,
He shut her out drove home the pain,
She took a breath nothing came,
She tried again more of the same.
How can she drown anymore?
Dreams in ashes on the floor,
When does she say- "I've had enough";
No more...
Anymore ...
She lost her will she lost her way,
Still his reflection keeps its place,
She reaches out for yesterday,
Reaches hard but nothings changed.
How can she drown anymore?
Dreams in ashes on the floor,
When does she say-"I've had enough";
No more...
How can she drown anymore?
Dreams in ashes on the floor
When does she say- "I've had enough";
No more...
Anymore...
