Miscellaneous

for him

He seems so perfect for me

I dont know how that could be

We have so much in common

I dont think I can move on

Im not sure if it would work

But my feelings for him still lurk

Chorus:

What if he doesnt like me?

I cant believe this is happening

To me

We used to be so close

But its been so longwho knows

End Chorus

Were going to be together again

But I want to be more than friends

I dont want just a fling

Because I have like him from the beginning

We havent seen each other in years

What if I dont say, what he wants to hear

I want to look good for him

I want to be hot and trim

I think about him night and day

Im not sure if he feels the same way

I would go to the moon for him

Even though my chances with him

Are slim
