

Amanda Ghost, Bad Girl

Some things missing and I don't know why
I always feel the need to hide my feelings from you
Is it me or you that I'm afraid of?
I tell myself I'll show you what I'm made of
Can't bring myself to let you go
Don't want to cause you any pain
But I love you just the same
And you'll always be my baby
In my heart, I know we've come apart
And I don't know where to start
What can we do? I don't want to be good
Bad girl, drunk by 6
Kissing someone else's lips
Smoked too many cigarettes today
I'm not happy when I act this way
Bad girl, drunk by 6
Kissing some kinda stranger's lips
Smoked too many cigarettes today
I'm not happy, I'm not happy
Something's happened and I can't go back
I fall apart every time you held your heart out to me
What happens now? I know I don't deserve you
I wonder how I'll ever hurt you
Can't bring myself to let you go
I'm not happy this way
Kissing some kinda stranger
