

Amanda Jenssen, Amarula Tree

La da da
ra da da da da
da da da
ra da da da daa
I dont need no money, mommy
I dont have a lover, brother
I keep away from the Juppies pappi
I just want my amarula tree
Whow, it moves me without a touth
People say that I think too much
But Im as happy as I can be
But Im as happy as I can be
Im a dreamer and I dream of what will be
A better destiny
Im a dreamer and as far as I can see, Amarula trees
So Im a dreamer and I dream of what will be
A better world for you and me, ohh
La da da
ra da da da da
Da da da
ra da da da daa
I dont look back I look beyond
Im just a struggling vagabond
But I get by well on my own
Where you are is what I call home
Whow, It moves me without a touth
People say that I drink too much
But Im as happy as I can be
Hanging by my amarula tree
Im a dreamer and I dream of what will be
A better destiny
Im a dreamer and as far as I can see, Amarula trees
So Im a dreamer and I dream of what will be
A better world for you and me, ohh
