

Amanda Jenssen, Common Henry

I thought that autumn couldn't fool me
That my heart would grow back eventually
Then winter came and overruled me
And dragged me down down, I'm going down
I'm going down down, I'm going down
Common Henry, dance my way
Forget tomorrow, live today
Don't listen to a word they say
Say what you want
What do you want?
Just don't ask me to stay
Springtime
New year, new start
All the birds flew back to give me CPR
Summer sirens
We know where you are
You're going down down, you're going down
I'm going down down, I'm going down
Common Henry, dance my way
Forget tomorrow, live today
Don't listen to a word they say
Say what you want
What do you want?
Just don't ask me to stay
No one's gonna bring me down
No one's gonna bring me down
No one's gonna bring me
Common Henry, dance my way
Forget tomorrow, live today
Don't listen to a word they say
Say what you want
What do you want?
Just don't ask me to stay
Common Henry, dance my way
Forget tomorrow, live today
Don't listen to a word they say
Say what you want
What do you want?
Just don't ask me to stay
Common Henry, dance my way
Common Henry, dance my way
Common Henry, dance my way
I said common Henry, dance my way
