

Amanda Jenssen, For the sun

It's been four years since I saw the ocean
It's been five nights since I held your hand
It's been forever since we talked the whole night through
It's been too long, I need to comprehend
So tell my love
I am leaving
I gotta find something to believe in
Tell my love
I am leaving
For the sun
For the sun
A new day has begun
ooooh
It's been fourty nights and fourty days since
I said I loved you
It took me two weeks to understand
But I just keep searching
everywhere for something true
But I guess it all leads back
to you
Ah tell my love
I am leaving
I gotta find something to believe in
Tell my love
I am leaving
For the sun
For the sun
A new day has begun
Ah tell my love
I am leaving
Tell my love I gotta find something to believe in
Tell my love
For the sun
For the sun
For the su-u-un
A new day has begun
