

Amanda Jenssen, The Rebounder

Each time I'm alone I just think of his voice
Keep me occupied
I go out every night just to drown it in noise
I'd rather dance than hide
I don't care who you are
But I love you
Just need someone to hold
I don't care who you are
I shall love you
Cause it beats being alone
You think it's for real cause you read in a book
This is the way it is
I'm sorry to tell you're someone I fool
A fill in for what I miss
I don't care who you are
But I love you
Just need someone to hold
I don't care who you are
I shall love you
Cause it beats being alone
I don't care that the truth goes far
I don't care what we are
I don't care
Cause I don't care another scar on this worn-out heart
I don't care who you are
But I love you
Just need someone to hold
I don't care who you are
I shall love you
Cause it beats being alone
