

Amanda Lear, Fever

Never know how much I love you
never know how much I care
When you put your arms around me I get a fever that's so hard to bear.
You give me fever when you kiss me
fever when you hold me tight.
Fever in the morning
fever all through the night.
Sun lights up the daytime
moon lights up the night.
I light up when you call my name and you know I'm gonna treat you right.
You give me fever when you kiss me
fever when you hold me tight. . . .
Romeo loved Juliet
Juliet
she felt the same.
When he put his arms around her
he said
Julia Baby
you're my flame.
I'll give us fever
when we kisses
fever with my flaming youth.
Fever
I'm on fire
fever yeah
I burn for sooth.
Ev'rybody's got the fever that is something you all know
Fever isn't such a new thing
fever startet long ago.
Ev'rybody's got the fever that is something you all know
. . .
Now you're listened to my story
here's the point that I have made:
Chicks were born to give you fever be it Fahrenheit or centigrade.
They give you fever
yeah
when you kiss them
Fever if you live and learn
fever till you sizzle
What a lovely way to burn - what a lovely way to burn -
What y lovely way to burn - what a lovely way tu burn -
Yeah
Baby
I'll give you fever.
