

Amanda Marshall, Believe In You

Somewhere there's a river
Looking for a stream
Somewhere there's a dreamer
Looking for a dream
Somewhere there's a drifter
Trying to find his way
Somewhere someone's waiting
To hear somebody say
CHORUS

I believe in you
I can't even count the ways that
I believe in you
And all I want to do is help you to
Believe in you

Somewhere there's an angel
Trying to earn his wings
Somewhere there's a silent voice
Learning how to sing
Some of us can't move ahead
We're paralyzed with fear
And everybody's listening
'Cause we all need to hear
CHORUS

I will hold you up
I will help you stand
I will comfort you when you need a friend
I will be the voice that's calling out

I believe in you
I can't even count the ways that
I believe in you
And all I want to do is show you
I believe in you
And there are just so many ways that
I believe in you
Baby, what else can I do but believe in you - believe in you
All I want to know is you believe - believe in you
