

# Amanda Marshall, Best Of Me

Drop those flowers - back away slowly  
You jumped in thinking this was holy water  
Well surprise surprise  
This is not a test  
Welcome to the party  
I've been on my  
best behaviour but I think it's time  
You saw the other side  
CHORUS

I'm a tough tough game that no one can master  
I'm a tall tall tale no one believes  
I'm a long dark night with no morning after  
Lucky you  
You get the best of me

Brand new day - honeymoon's over  
Peace and quiet puts me in a coma anyway  
It's just a waste of time  
This is not a dream  
Do you get the picture  
I know I may seem peculiar  
Baby gimme time  
'Cause when I hit my stride  
CHORUS

SOLO

CHORUS

I'm a tough tough game that no one can master  
I'm a tall tall tale no one believes  
I'm a long dark night with no morning after  
I'm a thundercloud when you're out at sea  
And if you try to run  
Baby I can run faster  
Lucky you  
You get the best of me
