

Amanda Marshall, I'll Be Okay

Verse 1

Its time to let ya go
it's time to say good-bye
there's no more excuses
no more tears to cry
there's been so many changes
i was so confused
all along you were the one
all the time i never knew
i want ya to be happy
you're my best friend
but its so hard to let ya go now
what could have been
I'll always have the memories
she'll always have you
fate has a way of changing
just when you don't want it to

Chorus

throw away the chains
let love fly away
till love comes again
I'll be okay

Verse 2

life passes so quickly
ya gotta take the time
you'll miss what really matters
you'll miss all the signs
I've spent my life searchin
for what was always there
sometimes it will be too late
sometimes it wont be fair

Chorus

Throw away the chains
Let love fly away
Till love comes again
I'll be okay

Bridge

I wont give up
I wont give in
I can't recreate
What just might have been
I know that my heart
Will find love again
Now is the time to begin
Throw away the chains
Let love fly away
Till love comes again
I'll be okay
I'll be okay
I'll be okay
Can't hold on forever baby,
Can't hold on forever baby,
Can't hold on forever baby,
I'll be okay
