

# Amanda Marshall, The Best Of Me

Drop those flowers--back away slowly  
you jumped in, thinking this was holy water  
well surprise, surprise  
this is not a test  
welcome to the party  
I've been on my best behaviour, but I think it's time  
you saw the other side...cause

CHORUS:

I'm a tough, tough game  
that no one can master  
I'm a tall, tall tale  
that no one believes  
I'm a long, dark night  
with no morning after  
Lucky you  
you get the best of me.  
Brand new day--honeymoon's over  
peace and quiet  
puts me in a coma anyway  
it's just a waste of time  
this is not a dream  
do you get the picture  
I know I may seem peculiar,  
baby; gimme time  
cause when I hit my stride

CHORUS

I'm a tough, tough game  
that no one can master  
I'm a tall, tall tale  
that no one believes  
I'm a long, dark night  
with no morning after  
I'm a thundercloud  
when you're out at sea  
and if you try to run--baby,  
I can run faster  
Lucky you  
you get the best of me.  
You get the best of me!
