Amanda Perez, Amanda Perez - Angel

It's been five months since you went away Left without a word and nothin' to say When I was the one who gave you my heart and soul But it wasn't good enough for you, no, oh so I asked God God, send me an angel from the heavens above Send me an angel to heal my broken heart from being in love 'Cause all I do is cry God, send me an angel to wipe the tears from my eyes And I know it might sound crazy But after all that I still loved you You wanna come back in my life But now there's somethin' that I have to do I have to tell the one that I once adored That they can't have my love no more That my heart can't take no more lies And my eyes are all out of cries so God God, send me an angel from the heavens above Send me an angel to heal my broken heart from being in love 'Cause all I do is cry God, send me an angel to wipe the tears from my eyes

Now, you had me on my knees Begging God, please to send you back to me I couldn't eat, I couldn't sleep And you made me feel like I could not breathe When I, all I wanted to do was feel your touch And to give you all of my love But you took my love for granted Want my luvin', now but you can't have it, oh God God, send me an angel from the heavens above Send me an angel to heal my broken heart from being in love 'Cause all I do is cry God, send me an angel to wipe the tears from my eyes Oh God, send me an angel, wipe the tears from my eyes Send me an angel from the heavens above Send me an angel to heal my heart from being in love Send me, oh God Send me an angel Send me an angel, oh God
