

Amanda Perez, In My Life

In my life
In my life

Every time I see you
I lose my cool
going out my mind
cause I can't stop thinking 'bout you
look at your sexy body
every night I go to sleep
I want you to be the one right beside me

(chorus)
boy need you in my life
boy need you
I be the one thats down to do or die
wipe away your tears, when you feel the need to cry
loving you without no lies
cause I need you in my life

there are times that Im with you
all I want to do is touch you
and if you let me
Ill promise that Ill always love you
cuz I need you in my life

I be the one thats down to do or die
wipe away your tears when you feel the need to cry
loving you without no lies
cause I need you in my life
boy need you in my life
boy need you (need you in my life)
boy need you in my life
boy need you

I need you in my life
you can be my man
I can be your wife
show you things that youve never seen before
turn off the lights
close the door
kiss you all on your neck
putting your body all in check
nothing but love no disrespect
boy you aint seen nothing yet
I be the one
that be by your side
loving you to the day that I die
giving good loving that make you cry
I can be bonnie, you can be clyde
jump in your ride
hit your switches side to side
cause I need a man like you in my life
now you tell me what Itll be like
tell me tell me what itll be like
lets ride, cause I need you in my life
need you in my life

boy need you in my life
boy need you
(repeat 6xs)
