

# Amanda Perez, The Call

yea, OoOo OoOo OoOo)

You walked into my life, when I was down and out  
Took away my pain and gave me your smile  
And at the time, still lovin someone else  
Not knowin'all those crazy reasons why I felt the way I felt  
And then one day I realized  
That you were the one for me  
I was so blind, but baby now I see

Chorus:

And I'll never let you go, no, no, no  
I love you so  
And I'll get on both my knees and I'll beg you please  
Would you spend the rest of your life with me  
Cause i'll never wanna let you go , oh  
And,I'll never play  
no, no, no ,no, no, no, no

I wish that I could turn back the hands of time  
Cause if I would've knew your love was like this  
Back then I would've made you mine, oh yeah  
If I had to die a thousand times a day  
I would do it for you, just to take  
The pain that I have given you away  
Cause I love you and I never want to let you go

Chorus

Bridge:

I'm sorry (oh yes i am)  
I'm sorry (I'm so sorry baby)

Chorus 2x

Ooooooooooooo Ooooooooooooo
