

# Amanda, You Don't Stand A Chance

Compared to a day of sunshine  
compared to the favorite song of mine  
When I'm hangin' with my girls  
in the summer time  
Would I choose you  
or the friends of mine

I had seen you  
looking at me on our way  
to school and  
I watched you too  
you were looking kinda cute  
with your baggles  
and your eyes  
I just couldn't help myself  
I walked up to you  
you said hey girl, what's up  
we went dating  
you took me to the movies  
and you held my hand  
on our way home  
you gave me a kiss & a beeper  
then you smiled  
you said now i can be sure  
that I'll reach my girl  
cause you rock my world

Dont get me wrong we have a good thing  
its not like im not thinkin of you  
but you not my everything

Compared to a day of sunshine  
you don't stand a chance  
compared to the favorite song of mine  
you don't stand a chance  
When I'm hangin' with my girls  
in the summer time  
you don't stand a chance  
Would I choose you  
or the friends of mine  
you don't stand a chance

Your friend told me  
then im the only thing you've been thinkin' of  
he said you've been  
goin' on about how we're  
so deep in love  
and how I sit around just waiting for you to call  
boy,your off the wall

Don't get me wrong  
our thing is good fun  
its not like im at home  
everyday just waiting by the phone

Compared to a day of sunshine  
you don't stand a chance  
compared to the favorite song of mine  
you don't stand a chance  
When I'm hangin' with my girls  
in the summer time  
you don't stand a chance  
Would I choose you  
or the friends of mine

you don't stand a chance
