

# Amazing Baby, Headdress

I'm the man who's gotta know  
What I've done and what I've lost 'cause of what I've done  
And I can't say another word except to say, I'm sorry to you baby  
And I don't know another thing except that you're the only girl I love, no  
And I can't seem to understand, how I walked away from the best thing I ever had  
Molly, I got mad at you, I did somethings I wish I had been better  
I did to you what you did to me, but I did it so unexpectedly, I was angry  
Molly, I've got news for you, no one understands what we have but me and you  
And I don't care what your friends think, what my friends think, what your mom thinks  
I'll be with you  
'Cause we live and love like each other  
We get mad like each other  
We were made for each other  
But grew up differently  
I may have disappointed you, I know you know I'm sure I will do better  
If I'm the man that you love the most then lay him down and let me put my 2 cents in  
Molly, I'm not begging you, I'm telling you that nothing else should matter  
I feel this strong in every bone in my body knows that you're my f\*\*\*ing baby  
'Cause we make love like each other  
We get mad like each other  
We were made from each other  
But grew up differently  
We grew up differently
