

Amazing Crowns, Mr. Fix-It

It's two A.M. and he starts another fight,
Walk him to the door and give a kiss goodnight.
Time for a change if you get in too deep,
Stop by my shop, cause I work cheap.

I'm Mr. Fix-it! It feels good!
Fixin' all the girls in the neighborhood.
I'm Mr. Fix-it! It feels good!
Fixin' all the girls in the neighborhood.

Come on!

Now, you don't wanna hurt him and I agree,
If he knew what we were doin', he'd be hurting me.
Gotta work an engine cause the warranty fades,
Under your hood, I'm a jack of all trades.

I'm Mr. Fix-it! It feels good!
Fixin' all the girls in the neighborhood.
I'm Mr. Fix-it! It feels good!
Fixin' all the girls in the neighborhood.

Come on!
Fix it! Fix it! Fix it right!
Fix it! Fix it! Fix it all night, now!

Yeah!
Now fix this!

Fix that switch - bring you to tears,
I'm the head technician when it comes to greasin' gears.
Now you can tell them a thing or two,
How Mr. Goodwrench on the workbench was fixin' you!

I'm Mr. Fix-it! It feels good!
Fixin' all the girls in the neighborhood.
I'm Mr. Fix-it! It feels good!
Fixin' all the girls in the neighborhood.

Come on!
Fix it! Fix it! Fix it right!
Fix it! Fix it! Fix it all night!
Fix it! Fix it! Fix it right!
Fix it! Fix it! Fix it all night!

Now, I'm Mr. Fix-it! It feels good!
